

**What is the cost for a researcher to meet with a Veteran engagement (VE) panel?**

<b><i>Panel</i></b>	<b><i>Cost to researcher</i></b>	<b><i>Notes</i></b>
<b>CCDOR ViEW panels</b>	Grant proposal preparation: <b>None</b>	VE panel meetings for grant proposal development, for early career researchers, or trainees are free of charge. Veterans' and staff compensation is covered by CCDOR.
<b>CCDOR ViEW panels</b>	Funded studies: <b>Depends</b>	Contact ViEW for budget justification language for grant proposals; many funded studies have used this language. In FY22, the average cost per meeting was \$10, 269. The number and timing of panel meetings over the course of a study varies. Contact ViEW for more information.
<b>Pain/Opioid CORE</b>	<b>None</b>	The national pain/opioid CORE Veteran engagement panel is a complimentary resource to VA pain/opioid researchers and project leaders. Panel staff and Veteran panel members are paid by the Pain/Opioid CORE through funding from HSR&D.
